FOR IMMEDIATE RELEASE

Closures on SR-22 for Pavement Rehabilitation and Electrical Upgrades

LONG BEACH — The California Department of Transportation (Caltrans) will close portions of the Garden Grove Freeway (SR-22) as part of a pavement rehabilitation project. **One lane will be open in both directions except during full freeway closures.** The following closures will be in effect, and are weather permitting and subject to change:

- **FULL FREEWAY CLOSURE** -Nightly, November 5 through November 9
from 9:00 p.m. to 6:00 a.m.
 - Both directions of SR-22 between Studebaker Road and Los Angeles / Orange County Line
 - Both directions of I-405 Connectors to westbound SR-22
 - Southbound I-605 Connector to westbound SR-22
- **One Lane Open** -Daily, November 6 through November 8 from 8:00 a.m. to 4:00 p.m.
 - Both directions of SR-22 between Pacific Coast Highway (SR-1) and Studebaker Road

Along with pavement rehabilitation, curb ramps along the project boundaries will be upgraded to comply with the Americans with Disabilities Act (ADA) and electrical improvements will also take place. All American Asphalt is the contractor on this \$1.2 million project, which is expected to be completed in winter 2018. Once complete, this project will provide a smooth ride for motorists and improved crosswalks for pedestrians enhancing the safety while at the same time increasing the life of the pavement. Detours will be posted. Motorists may experience delays. For real time freeway traffic information, please visit the Caltrans Quickmap:
